Brian Collin was first elected to Winchester City Council in 1986 and has served continuously since then. He has held positions of responsibility on the Council from Chairing a major Service Committee for a total of 10 years, Cabinet Member for Health, Community Safety and Social Inclusion for 2 years, and chair of Personnel Committee for 3 years. For four years in total, Brian has served on the Principal Scrutiny Committee of the Council.

All Brian's working life has been in Computers and IT. A trained Business Analyst and qualified Project Manager, he also holds a MSc in Information Systems Design. Between 1975 and 1992, Brian worked in NHS IT. Since 1997, Brian has worked in the IT department of Hampshire County Council as a Principal IT Consultant.

Bringing extensive knowledge of District Councils as a representative and of County Councils as a senior manager in IT, Brian can apply his skills of enquiry as a Business Analysis to get a broad overview of a business activity before delving in deeply to address any particular issues.

Brian is currently studying to be a Referral Order Panel Member with Wessex Youth Offending Team.

Brian has been accepted as a Member Peer for the IDeA.

Brian chaired the Health Improvement Partnership in the Winchester City Council area for 12 years.

Brian is currently studying for a Certificate in Workplace Mentoring.
