## Building Resilience in Local Government through Better Conflict Management

What can be done to improve this?

Produced for SEE, this research paper is aimed at Chief Executives and Senior Managers who need to build organisational and strategic resilience in order to lead their staff through a period of intensifying risk, change and

uncertainty. As employers are looking for a range of alternative solutions, the paper discusses the benefits and broader strategic value of mediation. For further information, please visit our [website](#).

## Introduction to Committee Administration
