

## **Sarah Cope**

### **Business Development Manager**

Sarah is the Business Development Manager at South East Employers having joined in June 2020. She has over 15 years' experience working in Local Government and brings a very varied range of skills to the SEE team. Before joining SEE, Sarah worked at Winchester City Council as a senior member of a busy Communications team, responsible for managing and creating digital/design projects and campaigns and supporting internal and external work.

Sarah works closely with the team managing the business and administration of SEE and co-ordinates the services we provide. She works to develop and promote our services to organisations in the South East, ensuring they are of the highest quality. She also facilitates the monthly South East Health and Safety Network meeting.

At heart Sarah is a passionate creative and experienced Graphic Designer bringing more skills to the team creating infographics, leaflets, social content, and recruitment brochures among many other projects. She is also an accomplished front-end web designer responsible for managing and developing the SEE website, introducing new and exciting content for our organisations.
