

# Developing Yourself in the Role

# Career development benefits

- ❖ More focussed approach to personal development
- ❖ More likely to take responsibility for your own progression and development
- ❖ If you have identified goals you are more likely to achieve them
- ❖ Improved job satisfaction
- ❖ Increased sense of purpose and achievement
- ❖ ***How do you take forward your own personal and career development?***
- ❖ ***What are the key issues and challenges?***

“ A wise man knows everything,  
a shrewd one, everybody.”

*Anon*

## Principles of networking

- ❖ Treat others as you would wish to be treated yourself
- ❖ Try and achieve the right balance of give and take
- ❖ Keep in touch with a quick call or e-mail
- ❖ Take the initiative
- ❖ Cultivate contacts, giving time and information freely
- ❖ Use networks to gain access to events, meetings, gatherings
- ❖ Use networks to gather information about possible vacancies
